

GIFT/GRANT PROGRAM OVERVIEW

A Gift or Grant program requires no lien or deferred payments. If the approval states a lien or retention agreement will be taken on the property (even if all payments are deferred) the program will require the documents to be reviewed under the Community Second guidelines. Refer to *Community Seconds Programs*, [Doc. #5932](#) for additional information. Fees must be reasonable and program must provide a tangible benefit to the buyer. Funds provided may not be from any party that benefits monetarily from the transaction, nor may the grantor be reimbursed by anyone benefiting from the transaction (Seller, Realtor, Builder, Broker, etc.)

Program must be from one of the following: a Government Agency, a verifiable nonprofit agency (501(c)3 letter required), or employer. Funds may only be used for down-payment and closing costs unless otherwise noted. No cash back to the borrower is allowed. All documents must be received at one time; otherwise, we will not be able to complete our review. Programs are eligible for 12 months at which time updated documents must be submitted. All programs are reviewed for compliance only. Flagstar Bank does not endorse, fund or underwrite any grant programs. Any lender participation required by the program would require the broker/correspondent's approval for participation. Flagstar Bank's lender approval would extend to Home Lending Branches only and would not include third party originations.

A completed Gift/Grant letter must be obtained prior to close. The letter must show the grantors name, the name of the recipient, and the dollar amount of the gift/grant.

- Refer to the *Down Payment Assistance Submission Checklist*, [Doc. #3284](#) and *Guidelines for Down Payment Assistance Programs*, [Doc. #5936](#) for additional details.
- Submit all required documentation via email to product.development@flagstar.com.
