

OVERVIEW

Flagstar Bank works with several Appraisal Management Companies (AMC's) with nationwide coverage to provide appraisal services for **all** residential loans **with the exception of VA**.

APPRAISAL MANAGEMENT COMPANY SERVICES PROVIDED

Appraisal Management Companies are responsible for managing orders from order placement to delivery of the appraisal report. AMCs select the appraiser, coordinate the inspection, perform a quality control review of the appraisal and delivers the PDF appraisal to Documents. Other services include:

- Ensuring compliance with Appraiser Independence Requirements (AIR)
- Tracking the appraisal order
- Supporting customer service requests
- Electronic appraisal delivery, ensuring all parties receive a timely copy of the completed report
- Providing dedicated customer service staff to manage orders, payment processing and appraiser communication
- **Handling addendums, errors and omissions, and any other request directly with the appraiser**
- **Performing a compliance and quality review on the appraisal report before delivery to Flagstar Bank**

COMMUNICATION WITH THE AMC – LOANTRAC APPRAISALS

VALUE RECONSIDERATION

Requests for value reconsiderations or other information on an appraisal must be made via the Appraisal Management Company to ensure that an independent valuation opinion is reached. Use the Actions tab, then select the Reconsideration of Value option to dispute your appraisal. When appealing the value, you must provide additional up to (5) comparable sales not used in the appraisal or evidence of material errors in the completed appraisal. The Appraisal Management Company will review the request and provide assistance. Responses from the AMC are captured in the comment section.

REVISION REQUEST

Revision Requests must be made via the Appraisal Management Company to ensure that an independent valuation opinion is reached. Use the Actions tab then, select Revision Request option to contact the AMC about your appraisal. You must provide evidence of material errors in the completed appraisal. The Appraisal Management Company will review the request and provide assistance. Responses from the AMC is captured in the comment section.

ADDING APPRAISERS

Appraisers may be added to an Appraisal Management Company's appraiser network by contacting the Appraisal Management Company. Appraisers in the Appraisal Management Company network receive a rating reflecting the work performed. Each Appraisal Management Company will place orders only with appraisers that meet or exceed their standards.

APPRAISER CONTACT

Appraiser contact will be facilitated solely by the Appraisal Management Company to ensure appraiser independence. Any questions or concerns throughout the appraisal process must be directed to and handled by the Appraisal Management Company. Direct contact with the appraiser is prohibited.

To communicate with the AMC through Loantrac, go to Appraisals, select the Actions tab, then Comments or refer to the [Approved AMC Vendors](#) section of this document for Customer Service contact information.

If the AMC is unable to resolve the concern:

- Work directly with your Account Executive to resolve the issue
- Contact Flagstar's Appraisal Review team
 - Appraisal.Review@Flagstar.com
 - (866) 945-9872, option 1,#,4

Please note, concerns regarding underwriting conditions must be addressed and resolved by the underwriter.

BORROWER PAYMENT OPTIONS

For orders through Flagstar's Appraisal Management module, credit card payment is required.

- [Borrower Payment link](#)
- [Credit card processing](#)

PRODUCT CONSIDERATIONS

Refer to Flagstar Bank's underwriting guidelines and product descriptions to determine if an appraisal facilitated by an Appraisal Management Company is required.
