

Construction-Permanent Float-Down Modification

Flagstar offers a float-down modification on Construction-Permanent loans so borrowers can benefit if current market rates have decreased upon completion of construction.

ELIGIBILITY REQUIREMENTS

- Eligible products:
 - *One-Close Construction*, [Doc. #5717](#)
 - *Jumbo One-Close Construction Fixed Rate*, [Doc. #5724](#)
 - *Jumbo One-Close Construction ARM*, [Doc. #5725](#)
- The Construction Phase must be completed and loan must be in the modified Permanent Phase.
- The new rate for the Permanent Phase will be quoted based on par pricing including all adjustments **using internal published rates**:
 - Conforming = Current market Fannie Mae 30-day rate
 - Jumbo = Current market Jumbo 30-day rate
 - All current loan-level price adjustments will apply
