

Jumbo Desk Review Product Requirements

JUMBO DESK REVIEW

All Jumbo Desk Review orders (regardless of channel) must be placed in Loantrac. Once the order is placed, Appraisal Management will assign to the appropriate vendor

REQUIREMENTS

- TPO table funded transactions only - Flagstar will disclose a fee to the borrower for the Jumbo Desk Review on the initial Loan Estimate (LE).
- A standard condition will be applied on all products requiring a Jumbo Desk Review reminding originators to order the applicable product through Loantrac.
- Attach the appraisal to the order within Loantrac Appraisals under the actions tab when ordering the Jumbo Desk Review. If you disagree with the value of the appraisal, we strongly recommend that you dispute the appraisal prior to ordering a Jumbo Desk Review. All Jumbo Desk Reviews will be delivered to the ValueLink system and must be reviewed by Appraisal Review.
- Non-conforming loans requiring two appraisals due to loan amount or product requirements do not need a Jumbo Desk Review product. Appraisal Review will review both appraisals and upon acceptance of both appraisals, the lower value of the two will be considered.

REVIEW OF JUMBO DESK REVIEW APPRAISAL

The Appraisal Management team will perform a review of the appraisal and Jumbo Desk Review product when both are provided to Flagstar.

- If the value on the Jumbo Desk Review is within 10% of the appraised value, and no material issues are noted by Appraisal Management the review is complete and Flagstar will accept both reports.
- If the value derived from the Jumbo Desk Review results in a variance of greater than 10%, Appraisal Management will attempt to reconcile the two reports. If the reports cannot be reconciled the following will apply:
 - A full second appraisal will be required and reviewed by Appraisal Review.
 - If both appraisals are consistent and deemed credible, the lower value of the two appraisals will be accepted.
 - If both appraisals result in unsupported values, Appraisal Management will determine if a third appraisal is warranted.
